

2023 IRS Non-Filer Statement

As part of the 2025-2026 Oberlin financial aid application process, we require that all applicants submit signed copies of all federal tax forms for both parents and students. In some situations, the student and/or parent may not be required by the IRS to file federal taxes. You may submit this form if you were not required to, nor did you, file a 2023 federal tax return.

If selected for verification by the Dept. of Education you may need to request a verification of non-filing letter from the IRS. You will be notified by our office if you need to request this letter.

Please be sure to:

- List all income earned or received during 2023
- Attach copies of all W-2's and/or 1099 forms received in 2023
- If you did not have any income in 2023, enter 'None'
